

Pet Resistant - 14 x 10 (.025)

Pet Resistant Screen / 1410025

General Description

PVC coated polyester Pet Screen provides extra strength to help resist damage caused by dogs and cats. Pet screen is a heavier screen than traditional fiberglass screen yet maintains excellent outward visibility and air flow. This screen is ideal for doors, windows, porches and any area that may need extra protection.

New York Wire® products are trusted and respected throughout the industry and come backed by the innovation and advanced technologies of Saint-Gobain ADFORS.
